## Adopt a Family Program a Great Success Again!

For yet another year, our Southeast School Community has helped to make the holidays brighter for four families in need. The families are always so grateful and send us cards expressing their gratitude.

*Thank you for caring and giving!*

### WIZARD'S WRAP UP

Families and community members had a great time at the **Harlem Wizards vs. Mansfield Magic** basketball game on Martin Luther King Day. The goal of the three-school ball game has always been to bring the community together. Inviting the Wizards helped us reach this goal **AND** helped us earn over \$2,000.00!! An event that was never intended to be a fundraiser evolved into a very successful and enjoyable way to earn money for our schools! While we were happy to sell out the game, we felt terrible having to turn families away at the door. If we do the event again, we will try to find a larger venue. Do **YOU** think we should invite the Wizards back? Send us an email!

### Help Wanted

Our 4<sup>th</sup> Graders need your help! We are looking for a parent volunteer to help coordinate this year's Fourth Grade Moving-On Ceremony. This person arranges refreshments for the event and orders gifts for our graduates, with support from the SE PTO Officers. Please let us know if you are able to fill this important role!

### Food Waste Reduction \*Initiative\*

Mansfield Recycling Coordinator Virginia Walton has asked the SE PTO to assist with a month-long program tracking food waste. Please stay tuned for more information. Thanks in advance to our 4<sup>th</sup> Grade Team for your willingness to participate!
